ANY LARGE ESKY'S WILL BE CHECKED BY TOURNAMENT OFFICIALS!

Sports Medics & Masseurs – Both Venues:

The Tournament will have a number of qualified and professional Sports Medicine personnel available to all players, who may want advice as to any injury concerns or strapping*. (* For Strapping, you should supply your own tape and there may be a nominal charge)

AMBULANCE PROCEDURE:

**ONLY SPORTS MEDICS WILL CALL AN AMBULANCE, IF ONE IS REQUIRED.

DO NOT ASK ANYONE ELSE AT THE VENUE TO CALL AN AMBULANCE PLEASE! Doing so, can cause confusion and also delay the arrival of the Paramedics!

You will need to register on a sheet to book a massage. Costs are displayed at the Massage area.

Tournament Rules and Procedures:

The Games

Each game will kick off promptly on the hour as programmed. Therefore, it is advisable to warm up and arrive at the allocated pitch at least 5 minutes prior to kick off.

Team Managers are responsible for getting teams on the field in time for the programmed start. A minimum of **7** registered players must be on the field for a match to commence. A maximum of **5 minutes** grace may be permitted. After this time has lapsed, the team that is on the field ready to play, will receive a walkover with 4 match points and a 3-0 score.

All games are **25 minutes** each way with a **3-minute turnaround** time.

A siren will signal kick-off, half-time, restart and full-time for each match.

There is **NO** injury time. There is **NO** extra time.

Match balls are supplied and will be given to the Referees prior to each match.

NOTE: Please get your Subs on the bench to go and retrieve any balls that go into the bush area or over fences etc. This helps keep the game running on time.

CHANGE STRIP:

If there is a clash of colours, the second named team will be required to change shirts. **Please** make sure you bring a second strip.

INTERCHANGE:

There is **unlimited interchange** for all matches. Interchange must take place from the halfway line and **when the ball is out of play** and having **notified the Match Officials. ALL subs in Squad can be used.**

Slide Tackles, Aggressive or violent play will not be tolerated. In challenging for the ball, players other than the goalkeeper must remain on their feet. If a player, other than the goalkeeper, challenges for the ball and, in executing such challenge, goes to ground in a sliding or lunging motion or, if while on the ground, whether stationary or in motion, a player attempts to challenge for possession of the ball (this is subject to the discretion of the Referee), the Referee shall stop play and award an indirect free kick to the opposing team. A Player sliding to stop a ball going out of play or to win it can only do so, if No player is nearby.

HEAT POLICY:

"In the event of the Federation Heat Policy being applied each half will be split into two 12-minute sections with a one-minute drinks break in between."

SIN BIN RULE:

At their discretion, Referees may send a player to the Sin Bin players for 5 minutes following an episode of aggressive play. The player may be issued with a yellow card for the aggressive play (this is subject to the discretion of the referee). The player may be immediately replaced and can return with the Referees approval.

Referees will also issue yellow and red cards in accordance with FIFA Laws of the Game. Two Yellow cards (regardless of whether they were sin binned or not) will result in a sending-off and missing the next game. A Red card will result in sending off and missing the next game. If a player is sent off, they cannot be replaced in that game.

*There is no difference between a yellow card issued for a Sin Bin offence and a Yellow card issued during the game which does not result in time in the Sin Bin.

MATCH CARDS: - TEAM MANAGERS - THIS IS YOUR JOB!

Referees will complete a match card for every game, recording the result and any disciplinary action. The Referee will return the match card to the Winning team, or in the event of a draw, to either Manager, who must CHECK THE SCORE IS CORRECT, then return the Match Card to the Registration Desk at Kawana or the Registration Desk at Maroochydore as soon as possible at the conclusion of the game. – This is important to keep "live" scores and tables updated.
